

Eric Miyake

Software Engineer

Description

As a highly motivated software engineer with a strong background in tech sales, I am excited to bring my unique set of skills to the table. Having worked for both Apple and Dyson, I have developed a deep understanding of the tech industry and its ever-evolving landscape. My expertise in sales has also equipped me with exceptional communication and interpersonal skills, allowing me to collaborate effectively with cross-functional teams. With a proven track record of delivering high-quality products and exceeding customer expectations.

Experience

2019 - 2022

Product Sales Specialist

Apple, San Francisco

Through effective communication and interpersonal skills, I build rapport with customers and develop long-lasting relationships to enhance their overall experience. I am also responsible for maintaining an up-to-date knowledge of industry trends and Apple's product offerings

2020 - 2021

Remote Technician

Apple, San Francisco

I was responsible for diagnosing and repairing Apple products, including hardware and software issues. Additionally, I work collaboratively with cross-functional teams to ensure high-quality service and support for customers, and continuously update my technical knowledge to stay current with industry trends

2018 - 2019

Tech Sales Specialist

Dyson, San Francisco

I assisted with product demos, training sessions, and events to support the growth of the brand and drive customer engagement.
